HERE'S A WAY TO GET MORE PATIENTS & INCREASE YOUR INCOME!

Nutrient IV Therapy delivers vitamins, minerals, and amino acids direct to the bloodstream.

Our research shows that more people in your area are looking for this effective solution to proactive health.

By partnering with Liquivida Lounge and our team of certified IV therapists, we can help you:

- ✓ Create a new stream of revenue, without having to invest or changing anything in your business.
- ✓ Offer top quality IV infusions to your established customer base.
- ✓ Choose between becoming a Liquivida Franchise or an Independent Partner, according to your expertise, company size or business goals.

INCLUDED IN EVERY KIT:

Nutrient Infusion vials for specific drips, Saline IV bag, IV Administration Set, 60cc syringe for mixing, IV Catheter, 3 18g Needles, 1 Pair of Gloves, 1 Tourniquet, 1 Roll of Tape, 1 PVP Prep Pad, 1 Alcohol Prep Pad, 2 Gauze Sponge, 1 Transparent Dressing.
